Seduta operativa con sedile in polipropilene rigido con imbottitura in poliuretano espanso, struttura schienale in polipropilene rinforzato, rivestimento in tessuto poliestere. Braccioli in nylon. Basamento in nylon rinforzato con ruote piroettanti. Meccanismi con corpo in acciaio, copertura e comandi in tecnopolimero.

Task chair with seat in rigid polypropylene and padding in expanded polyurethane, backrest structure in reinforced polypropylene, covering in polyester fabric. Nylon armrests. Base in reinforced nylon with swivel castors. Mechanisms with steel body, cover and control levers in technopolymer.

Siège opératif avec assise en polypropylène rigide avec rembourrage en mousse de polyuréthane, structure du dossier en polypropylène renforcé, revêtement en tissu polyester. Accoudoirs en nylon. Piètement en nylon renforcé avec roulettes pivotantes. Mécanismes avec corps en acier, coque et commandes de réglage en technopolymère.

Bürodrehstuhl mit Sitz aus Polypropylen und Polsterung aus Polyurethanschaum, Struktur der Rückenlehne aus verstärktem Polypropylen, Bezug aus Polyesterwebgewebe. Armlehnen aus Nylon. Fußgestell aus verstärktem Nylon auf Doppellenkrollen. Mechanismen mit Stahlgehäuse, Technopolymerabdeckung und Bedienelementen.

Silla operativa con asiento de polipropileno rígido con acolchado de poliuretano expandido, estructura de respaldo de polipropileno reforzado, tapizado en tejido de poliéster. Apoyabrazos de nailon. Base de nailon reforzado con ruedas giratorias. Mecanismos con cuerpo de acero, tapa y mandos en tecnopolimero.

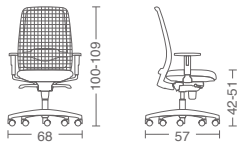

- 1 Alzo gas seduta
- 2 Blocco e sblocco oscillazione
- 3 Regolazione intensità di carica

- 1 Seat height adjustment
- 2 Tilt movement control
- 3 Tension adjustment

Supporto lombare regolabile in altezza
Height adjustable lumbar support

KYG125 - KYG225

Schienale in nylon rinforzato e rivestito in tessuto/rete nero ignifugo poliestere 3D. Sedile imbottito con tessuto nero ignifugo poliestere 3D

Backrest in reinforced nylon upholstered in 3D fireproof black polyester fabric/mesh. Seat upholstered with 3D fireproof black polyester fabric

Schienale in nylon rinforzato e rivestito in tessuto/rete grigio chiaro ignifugo poliestere 3D. Sedile imbottito con tessuto grigio chiaro ignifugo poliestere 3D

Backrest in reinforced nylon upholstered in 3D fireproof light grey polyester fabric/mesh. Seat upholstered with 3D fireproof light grey polyester fabric

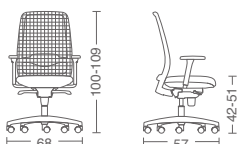

Braccioli regolabili in altezza
Height adjustable armrests

Base in nylon rinforzato con ruote autofrenanti
Base in reinforced nylon with self-braking castors

KYG128

Schienale in nylon rinforzato e rivestito in tessuto/rete nero ignifugo poliestere 3D. Sedile imbottito con tessuto nero ignifugo poliestere 3D

Backrest in reinforced nylon upholstered in 3D fireproof black polyester fabric/mesh. Seat upholstered with 3D fireproof black polyester fabric

Sedile con traslatore
Slide system seat

Braccioli 2D regolabili e allungabili soft touch
Soft touch 2D adjustable and extendable armrests

Base in nylon rinforzato con ruote gommate
Base in reinforced nylon with rubber castors
